CONSIGNMENT APPLICATION

Interested in consigning with Sweet Clover? Please complete this application (or follow the application link on our website) and email it to rebekah@sweetcloverbarn.com.

Please upload 3 to 5 quality photos of your work/inventory/consignment items. Examples of items you would generally carry is fine to submit as well.

Consignors drop off items to be styled by our Design Team. Occasionally consignors are given a designated space for a rental fee but space is limited.

New or vintage home décor, clothing and furniture consignment is 70/30 (consignor/Sweet Clover). Handmade or artisan items are 75/25 (consignor/Sweet Clover). Fees are all inclusive. Sweet Clover styles, stages, markets and pays all credit card fees and Maryland sales tax. Consignor pays commissions only.

Space is limited. We evaluate each application and choose dealers based on individuality, style and quality of merchandise.

Sometimes we get applications from quality vendors but similar styles are already heavily represented in the shop. In this instance, we would pass on a vendor as we strive to provide our customers with a wide variety of styles. We would ask to add you to a waiting list so we can reach out in the future.

Once we receive an application, we will email you directly with additional information and possibly to set up a time to meet with Kim and Rebekah.
