

SWEET CLOVER

EVENT VENDOR APPLICATION

Interested in vending with Sweet Clover? In addition to our three larger yearly markets (Spring, Fall and Holiday) we have events throughout the year to coordinate with special events happening at the shop or in downtown Frederick overall. Complete the application (or follow the application link on our website) and email it to rebekah@sweetcloverbarn.com. Please upload to 5 quality photos of representing your style or products.

Space is limited. We evaluate each application and choose dealers based on individuality, style and quality of merchandise.

Sometimes we get applications from quality vendors but similar styles are already represented at the event. In this instance, we would pass on a vendor as we strive to provide our customers with a wide variety of styles. We would ask to add you to a waiting list so we can reach out in the future.

Once we receive an application, we will email you directly with additional information.
